The above is a breakdown of how the agenda meets the requirements of Florida Statute 395.0197(2).

395.0197(2), F.S. The internal risk management program is the responsibility of the governing board of the health care facility. Each licensed facility shall hire a risk manager who is responsible for implementation and oversight of the facility's internal risk management program and who demonstrates competence, through education or experience, in all of the following areas:

- (a) Applicable standards of health care risk management.
- (b) Applicable federal, state, and local health and safety laws and rules.
- (c) General risk management administration.
- (d) Patient care.
- (e) Medical care.
- (f) Personal and social care.
- (g) Accident prevention.
- (h) Departmental organization and management.
- (i) Community interrelationships.
- (j) Medical terminology.
